## TENNESSEE BAPTIST CONVENTION.

In Session at the First Baptist Church, Knoxville.

The Tennessee state Baptist convention assembled at the First Baptist church, in this city, yesterday morning, at 10:30 o'clock, according to announcement.

The convention was called to order by the president, Dr. W. P. Jones, of Nashville, and opened with devotional exercises, reading of the Scripture, singing and prayer by Rev. C. R. Hendrickson.

The delegates accredited to seats in the convention were enrolled by the secretary, Rev. J. H. Borum.

The convention then proceeded to the election of officers, Rev. J. M. Phillips and B. R. Womack being appointed tellers. The result was the reelection of Dr. W. P. Jones, of Nashville, as president. Rev. Dr. J. R. Graves, of Memphis, and Rev. Dr. W. A. Montgomery, of Chattanooga, were elected vice presidents, and Rev. Joseph H. Borum, of Dyersburg, secretary, with Revs. A. Larcum and S. M. Providence, assistants.

A motion was made by Rev. Dr. T. C. Teasdale, and carried, amending the constitution so as to avoid any trouble in the election of officers, hereafter.

After some further preliminary business, the convention adjourned till 2 p. m.

## THE AFTERNOON SESSION

was called to order with Vice President Dr. Montgomery in the chair, until the arrival of the president. Devotional exercises were conducted with singing and prayer by Rev. C. C. Brown, Dr. N. B. Goforth, Judge T. J. Freeman, Dr. T. G. Jones and Rev. W. Huff.

The following standing committees of the convention were announced by the president:

Missions, Southern Baptist convention—M. Hillsman, T. G. Jones, W. Huff, G. S. Williams, J. T. Oakley.

Deceased ministers—J. P. Kincaid, G. W. Day, S. L. Sanford, S. C. Evans, J. M. L. Burnett.

Education—N. B. Goforth, C. R. Hendrickson, C. C. Brown, Anson Nelson, E. L. Jordan.

Religious destitution—J. D. Anderson, J. M. Senter, W. C. Grace, Jesse Baker, Phetridge.

Nominations—B. R. Womack, C. H. Hendrickson, C. H. Strickland, H. W. Buttrick.

Revision of postoffice list—J. H. Borum, J. S. Carrel, C. C. Brown.

Rev. C. R. Hendrickson read a report of the condition and prospects of the Southwestern Baptist university at Jackson, which was, on motion, held over for future action.

On motion of Dr. Montgomery, the order of business was suspended, and the question of ministerial relief taken up. The report of the committee was read by the chairman, Rev. James Waters, and adopted.

Dr. Montgomery offered a resolution providing for the incorporation of the board of relief; and also to invest one half the funds raised as a permanent fund, only the interest to be used, for the relief of aged and destitute ministers.

It was stated that it is contemplated to have the conventions chartered, and on motion the resolution was referred to the charter committee, with Dr. Montgomery and Judge Freeman added to the committee.

An extended discussion ensued then on the report of Mr. Waters, part cited in by Dr. T. J. Jones, Dr. Montgomery, Rev. S. C. Evans, Rev. J. M. Waters, Rev. B. R. Womack, Rev. J. R. Jones, Rev. C. C. Brown, Capt. W. W. Woodruff and Judge T. J. Freeman, after which the report was adopted, and the general sentiment seemed to be strong towards taking immediate steps in this matter of ministerial aid.

Announcements were made, Rev. Dr. T. C. Teasdale lead in prayer, and the convention was declared adjourned till 9 o'clock this morning.

## THE OPENING SERMON

was preached last night by Rev. Matt. Hillsman, of Trenton, Tennessee. The church was well filled by a large and attentive congregation who were highly edified by an able and eloquent sermon.

There is a large and respectable attendance from all portions of the state, and the convention is a fine body of men, banded together in the Master's work, and comprising some of the ablest and most distinguished pulpits in the state. Among the lay delegates in the convention are also to be found some of our most eminent and renowned public men.

Our worthy friend Dr. W. P. Jones, of Nashville, makes an able and impartial presiding officer, and graces the church with fine effect. He is one of the foremost lay members of the Baptist denomination in the state, is postmaster and a practicing physician at Nashville, and a gentleman of irreproachable and excellent traits of character, and highly esteemed by all who know him. The convention did the doctor a merited honor, and honored itself in continuing him as president.

The sessions of the convention are visited by numbers of our citizens and visitors, ladies and gentlemen, who take a deep interest in the proceedings.

It was announced by Rev. Mr. Strickland, before adjournment yesterday evening, that the missionary sermon will be preached in the church at 7:30 o'clock to-night by Rev. G. W. Griffin, of Jackson, Tenn.

The saying "time is money" is best illustrated by the prompt action of Dr. Ball's Cough Syrup in all cases of Coughs, Colds, etc. Price 25 cents a bottle. All Druggists keep it.

## HOLSTON CONFERENCE

Of the Methodist Episcopal Church, in Session at Greenville.

GREENVILLE, Oct. 20.

The Holston annual conference of the Methodist Episcopal church assembled in Greenville this morning at 9 o'clock.

Bishop E. O. Haven opened the exercises by reading the scriptures and announcing a hymn, after the singing of which Bishop H. W. Warren led in prayer. Another hymn was sung and Bishop Haven led in prayer.

Rev. J. J. Manker, secretary of the last session, called the roll. He was nominated for re-election, but declined the honor. Rev. J. W. Mann was also nominated, but declined. Rev. J. D. Robinson was then placed in nomination and unanimously elected.

The usual standing committees were appointed, also a special committee concerning the church property at Fountain Head, near Knoxville.

Rev. Dr. G. S. Savage, agent for the American Bible society, was introduced and addressed the conference.

The usual examination of character was then taken up, and proceeded until time for adjournment at noon.

The afternoon was taken up with the usual committee work.

The attendance of preachers and visitors is large, and all come together with cheering news of success during the past year, and with confident faith and hope for the future.

The conference session is held in the beautiful M. E. church, which has recently been freed from debt, and has also been most beautifully improved and refurnished. It is now as elegant and charming a house of worship as even Knoxville can boast.

The religious services have been of unusual interest. The opening sermon on Tuesday evening was by Rev. E. M. Lockwood, and was brief, concise, instructive and impressive.

The congregation this evening filled the house to overflowing, as it had been announced that Bishop Warren was to preach. His text was 1 Tim. 2nd chapter, 8th verse: "I will, therefore, that men pray everywhere, lifting up holy hands without wrath or doubting."

And what a sermon! simple, beautiful, fascinating, and profound, grand and massive thought; most convincing, encouraging and comforting, setting forth of the great forces of nature, and the yet greater forces of the higher spiritual realm, God controlling all forces for his own glory and for the highest good of his children, and they coming into possession of this power upon condition of united, earnest and holy purposes and pleading, wrath and doubting laid aside.

The sermon was indeed a marvel of pulpit eloquence and power.

A clear head; elastic limbs; good digestion; sound sleep; buoyant spirits, a fine appetite; and a ripe old age are some of the results of the use of Dr. TUTT'S PILLS. They require no change of diet nor interfere with regular business. A single dose will convince you of their wonderful effect.

TRAGIC DEATH NEAR CLINTON

W. W. Wallace, an Exemplary Citizen, Gored by a Bull.

Mr. W. W. Wallace, who lived a few miles from Clinton, in Anderson county, met with the peculiar and sad misfortune to be gored by a vicious bull on his farm Friday, 15th inst., and to such an extent were the injuries that death resulted on Saturday. The remains were buried on Monday following, and were followed to the grave by the largest number of persons that ever attended a funeral in that county.

Mr. Wallace was one of the best men in Anderson county. He was a prosperous, well-to-do, and enterprising farmer; an influential citizen; intelligent, honorable and of the strictest integrity in all his dealing with his fellow men. His tragic death cast a feeling of sadness and gloom over the citizens of the entire county and surrounding neighborhood, among whom he was held in such high esteem for his noble and exemplary traits of character. Deceased was a faithful and devoted member and friend of the Methodist church, and we understand that he had, on the death of his wife, willed all his property to the M. E. church at Clinton. In his sudden taking off Anderson county and the community in general has lost one of its most valuable citizens.

Good News from Virginia.

We were permitted yesterday to glance at a letter to Mr. George Allison, of our city, from a son in Norfolk, Va., in which he expresses the confident hope that the republicans of that district will elect their candidates for congress, Hon. Mr. Dandorff, by at least 3,000 majority. This will be to succeed Hon. John Goode, who has made himself somewhat notorious in his Bourbonistic trainings in congress. The republicans of that district, and especially the laboring men, are looking forward to the change with a considerable degree of relief, for the actions of Congressman Goode have been to oppress the laboring classes in many respects.

A Benefactress.

Just open the door for her, and Mrs. Winslow will prove the American Florence Nightingale of the Nursery. Of this we are so sure, that we will teach our "Susy" to say "a blessing on Mrs. Winslow" for helping her to survive and escape the griping, colic and heaving sighs. Mrs. WINSLOW'S SOOTHING SYRUP relieves the child from pain, and cures dysentery and diarrhea. It softens the gums, reduces inflammation, cures wind colic, and carries the infant safely through the teething period. It performs precisely what it professes to perform, every part of it—nothing less. We have never seen Mrs. Winslow—know her only through the preparation of her "Soothing Syrup for Children Teething." If we had the power, we would make her, as she is, a physical savior to the infant race. Sold by all druggists. 25 cents a bottle.
